

## International grants for Alzheimer's disease research

- ▶ Alzheimer's Disease Research/  
American Health Assistance Foundation, USA
- ▶ Alzheimer Forschung Initiative e.V., Germany
- ▶ Internationale Stichting Alzheimer Onderzoek,  
The Netherlands
- ▶ Ligue Européenne Contre la Maladie  
d'Alzheimer, France
- ▶ Stichting voor Alzheimer Onderzoek/  
Fondation pour la recherche sur la Maladie  
d'Alzheimer, Belgium

Our common vision is a future without Alzheimer's disease – a future in which we can age with dignity. This is why we inform the public and fund basic research projects on Alzheimer's disease. Since 1976 we have been able to support Alzheimer's disease research with more than 70 million Euros, thanks to our many generous donors, most of whom are private individuals.

## ▶ ADR USA

Alzheimer's Disease Research/

A program of the American Health Assistance Foundation
